

KranHaus

**FASCINATING
INSIGHTS INTO
THE WORLD OF CRANES**

On 3 levels, different crane systems are waiting to be tested at length by visitors like you.

Take part in a guided tour through the KranHaus

Are you a professional crane operator? Extend your specialist know-how during tailor-made training sessions

Enjoy a ride on a crane 8 m high

Feel the different drive concepts for yourself

Take more than just a brief glimpse at our production facilities during a factory tour

Discover the variety and convenience of lightweight crane systems

Draw up tailor-made solutions with our specialist consultants

Transport loads single-handedly with a powerful overhead travelling crane, experience the ease of our crane systems yourself, ride on a 8-metre-high crane – the KranHaus at our company headquarters in Gummersbach offers an overview of current crane technology as well as an exciting insight into real-life working situations in a building that has 1,600 m² of space. In the crane workshop above the crane building, service technicians,

installation engineers, service engineers and crane operators are trained. Seminars on the themes of crane maintenance, repair and servicing take place in the modern training rooms that are equipped with special technology.

You are also warmly welcome to get to know the KranHaus yourself, and to optimise your particular material handling application requirements with us.

A visit to the KranHaus could have the following agenda:
